Wines can be picked up at the winery. The first selection will be available May 2011 and will continue for 12 months. San Francisco Getaway

Go on, "lose your heart" in San Francisco, the hugely popular tourist destination -- perfect for a wedding anniversary or special birthday getaway. There's so much to do: walk across Golden Gate bridge, ride the historic cable cars, go wine tasting in Napa valley, shop at Fisherman's wharf or Union Square, take a tour of Alcatraz, visit Chinatown, drive or walk down Lombard street, the city's crookedest street. This package includes one week's accommodation in a quaint Victorian villa in the township of Glenpark close to the heart of San Francisco, two round-trip airfares (from anywhere in the contiguous United States), and two wine tastings at **Trinitas Cellars** in Napa. Your villa in has street parking and is within walking distance from the BART metro station. Donated by Dolores Meehan. Expires: November 1, 2011. Early reservations required to ensure airfares. Est. value: \$2,800.00.

From last year's winner: "The San Francisco trip was perfect: great restaurants, museums, sites, and weather. The Villa was quaint and comfortable, and located only a short walk from the small and cozy Glen Park town center with a French bistro, cafes, coffee shops, a wine and cheese store, and a small deli/grocery store. The BART (Metro) is incredibly convenient -- just a ten-minute walk from the house and a seven-minute ride to downtown San Francisco. We spent an entire day in the Napa Valley and topped off the touring with wine tasting at the **Trinitas Cellars** (try the "ratZINger" zinfandel, named for Pope Benedict, of course). Be sure to see the Palace of the Legion of Honor museum and to hike through Muir Woods. So much to do and so little time!"

Rappahannock County Escape

If “Virginia is for Lovers” then “Rappahannock County is for *True* Lovers.” Bid on this premium getaway package and spend a romantic excursion enjoying the beautiful Rappahannock countryside. This package includes accommodation at the **Marriot Ranch** in Huntly, horse trail riding, fine dining at the **Thornton River Grille**, as well as wine tasting at **Rappahannock Cellars** in Huntly. Amongst a collection of beautiful old buildings on a city block, the timeshare is a two bedroom, one bath apartment with kitchen facilities and sleeper sofa. It can sleep six. The Quarter House is a short stroll to New Orleans’s most famous sites, including the Café du Monde, French Market, St. Louis Cathedral, Jackson Square, and top restaurants, such as Galatoire’s and Bayonna. Timeshare begins on Friday afternoon and ends the next Friday. Available November 4 – 11, 2011 (week 44). Winning bidders may request a different week! If a different week is desired, please make the request no later than May 16, 2011 for up to three alternate weeks in 2011-2012 (excluding week 44, 2011). Also included are two round-trip tickets via United Airlines from anywhere in the continental U.S. to New Orleans . Early booking required to ensure availability of airfares. Donated by Chrissy & Felix Hernandez. Est. value: \$2,700.00.

From a previous winner: “Although we are not ‘big city folks,’ Mike and I went to New Orleans for our 40th wedding anniversary. New Orleans is a beautiful city with a small town feel. The Quarter House was beautiful and centrally located. The food choices were excellent and endless. We enjoyed visiting the beautiful homes in the Garden District, the World War II museum, the Cathedral, and one of the best small zoos we've been to. (Maybe that was because we were strolling in 70 degree weather when Front Royal was buried in 2 feet of snow!) The trolley cars got us everywhere we wanted to go. We loved it!”

Fisher Men Work Force

Would you like to have about 18 young men (the “Fisher House boys”) and two adults (Dr. O and Mr. Bauer) do outdoor work at your place for a day (6 hours of labor). Then you must bid on this item! This group of “Fisher Men” is ready and willing to take on those outdoor chores you've always wanted to have completed and now can get done in one productive day. Amongst other things on your "honey-to-do" list, this work crew is prepared to do yard work, split and stack wood (wood splitter provided), pull weeds, lay mulch (you provide), detail vehicles, paint fences (with singing of the Tom Sawyer tune “Paint’n the Fence”

optional), power wash house exterior (power washer provided), do minor home repair, clean outside windows, and construct a compost pile (following Dr. O's best principles for ensuring rapid decomposition). Available through end of 2011. Est. value: priceless.

From last year's winner: "Fisher Men -- an awesome work force! In a single day they appeared with all the tools they needed, and then identified and cleared more than a mile of trails in the deep woods above my farmhouse -- found old skid roads, marked each trail, essentially turning my woods into a woodland park with trails throughout (and eating a lot of hamburgers for lunch as well). A bargain at any price!"
